

Care Enough to Share

Dear Neighbor:

Thank you for choosing us for dental care for you and your family. Our goal has always been to provide you with the highest quality dental care in the friendliest, most caring way possible.

We hope the care you received from our doctors and staff will inspire you to share us with your friends and family. Our practice continues to grow because of the referrals of caring patients like you. That's why we have established our Care Enough to Share program to thank you in a special way that allows both you and your friends and family to save money on dental care.

Please visit us online for more details:

Here's how the

Care Enough to Share

program works:

1. Write your name and address on the **\$50** referral certificate.
2. Give it to a friend, neighbor, co-worker or family member who has never been to our practice.
3. This certificate will give them a **\$50** discount on their first appointment!
4. When they redeem their certificate, we'll thank you by applying a **\$50 Credit** to your current account with us.
